

The Tortoise and the Hare

One day, a speedy hare praised about how fast he could run. The slow but steady tortoise challenged him to a race. The hare ran ahead, confident of victory, and decided to take a nap midway. Meanwhile, the tortoise kept walking without stopping. When the hare woke up, he saw the tortoise near the finish line. But it was too late, as the slow and steady tortoise won the race.

Moral: Slow and steady wins the race.
